Respect. Trust. Integrity. Teamwork.

Community Relations Process-Public Survey Results SKP

Overall Factory Likeability presence in area

Factory Manages Water Resources

Factory Manages Impact on Environment

Saving water is easy

- **Save 9 litres**
Cut your shower time by 1 minute
- **Save 11 litres**
Rinse your teeth with a tumbler instead of under a running tap
- **Save 14 litres**
Wash vegetables and dishes in a filled sink instead of under a running tap

Thank you
